- manoj@kumarmj.me

Skills

(*)[The skill scale is from 0 (Fundamental Awareness) to 6 (Expert).]

Education

- 2014-2018 B. Tech, Computer Science & Engineering
Majoring in Computer Science CGPA 8.06 NIT Hamirpur, H.P.
- 2013-2014 Secondary School Education
PCM Non-Medical Stream with 92.4% Una, H.P.
- 2011-2012 High School Education
Passed class X with 10 CGPA Una, H.P.

Experience

- DEC 2016 Laravel E-commerce Backend API Internship, Winuall
Developed an e-commerce platform backend API on Laravel Framework(PHP), with elastic search & ActionML functionality
- NOV 2016 Neural Image Classifier Project, Neural Networks
Implementation of neural network decision tree to train computer to recognise the species of flower, with average efficiency greater than 95 percent.
- OCT 2016 QUnit Maintainer Opensource, jQuery
Implemented better testing functions & deprecated some old functions, helped in resolving some conflicted bugs.
- APR 2016 Homomorphic Encryption Calculator Project, C++
Implemented simple operations addition, subtraction and multiplication on encrypted data.
- NOV 2015 QT C++ Framework Application Project, Computer Graphics
Built an Mars Wars Game where a fight takes place between player and enemies. Multiple stages, Live Scores, and other related features.

Awards

- 2nd position in Game Development, ISTE Indian Society of Technical Education organised competition where concept was given and developed an QT C++ game which won second position.

Extra-Curricular

- Executive Member of CSEC, Computer Science and Engineering Community is a students club of the CSE Department of NIT Hamirpur. CSEC plans various events to help out the students
- Group Lead at GLUG GLUG NITH GNU/Linux User Group of National Institute of Technology, Hamirpur. Heterogeneous mixture of people held together together by a common love for GNU/Linux.
